So fun to join [YMCA of Coastal Carolina](#) in beautiful Myrtle Beach yesterday to raise awareness during Water Safety Month.

Thank you to [Black's Tire & Auto Service](#) for sponsoring this event and Craig Samborski for bringing the [World's Largest Rubber Duck](#) to S.C. The kids and community loved his visit and it turns out he loved S.C. so much, he's decided to become a resident!

What a great way to get the conversation going about water safety best practices as we head into the summer months. Remember to keep your phones down, eyes up! [#PhonesDownEyesUp](#) [#WaterSafety](#)

💛💛 Splash is visiting Myrtle Beach this week with his big and biggest ducky friends to raise awareness for water safety! Mamma Duck, standing 60 feet tall, is the biggest duck in the world and is excited to help the YMCAs of South Carolina talk about the importance of safety around water. 🌊
Thank you [YMCA of Coastal Carolina](#) for creating such a fun event!
