Ignite the Future Campaign

No Child Left Behind

For the past 167 years, the YMCA has been an important part of life in Fredericton. For decades, families have looked to the YMCA to help their children learn to swim, play on a basketball team, perfect their pirouettes and handsprings or enjoy a fun-filled week of summer day camp.

At the YMCA, we believe every child deserves the chance to belong, connect and experience the joy of movement. Every child deserves the chance to make friends, increase their confidence and build their resilience. Every child deserves the chance to reach their full potential.

20%

of children in the Fredericton region face significant economic barriers to well-being.

27%

27% of children and youth members at the Y receive membership assistance.

That is roughly 1 in 4 of our young members not otherwise able to access the YMCA.

Together, We Ignite Brighter Futures

We know that by investing in children in our community today, we are igniting the future. Every child deserves the chance to reach their full potential, which is why we are establishing the *J.T. Clark Family Foundation Youth Impact Fund*. This fund will ensure that no child is turned away from the Fredericton YMCA.

All gifts will provide perpetual support, reaching children in the Fredericton region for generations to come. Every dollar donated between September 15-December 15, 2025 will be matched by the J. T Clark Family Foundation, up to \$250,000.

Futures Ignited

Established in 1987, the Fredericton YMCA Endowment Fund captures the heart of donors and provides them with meaningful opportunities to participate in the mission, vision and values of the Fredericton YMCA.

The Fredericton YMCA Endowment Fund grows and invests generously donated funds. The investment income provides for the future growth and stability of the Fredericton YMCA and furthers our mission.

The life-enriching capacity of the YMCA is only possible because of the many supporters whose contributions to the Fredericton YMCA Endowment Fund have ensured our Y's continued success, not only today but for years to come.
