Help ignite potential

For generations, the YMCA has been a place where children and youth feel like they belong — a place where they can move, grow, connect, and thrive. Each year, more than 1,800 young people come through our doors, looking for opportunities to build confidence, make new friends, and discover their potential.

Cycle for Kids, presented by **Epsilon Y Service Club**, is more than a fun, high-energy spin class — it's a meaningful way to help local children access life-changing YMCA programs. Right now, more than 460 children and youth rely on financial support to participate in swim lessons, day camps, youth leadership, and wellness programs that support their physical, emotional, and social well-being.

Families want these experiences for their children. But for many, financial challenges stand in the way. That's where Cycle for Kids makes a difference.

When your organization sponsors Cycle for Kids, you help break down those barriers. You help create moments of joy, growth, and connection. And most of all, you help ensure that every child has a chance to shine — no matter their circumstances.

There are many ways to get involved, and we'd love to find the one that's right for you. To learn more about partnering with YMCA Cycle for Kids, please contact Nat Young at nat.young@ymcafredericton.org.

Did you know?

- ▶ For the past **167** years, the YMCA has been an important part of life in Fredericton. For decades, families have looked to the YMCA to help their children learn to swim, play on a basketball team, perfect their pirouettes and handsprings or enjoy a fun-filled week of summer day camp.
- ▶ At the YMCA, we believe every child deserves the chance to belong, connect and experience the joy of movement. Every child deserves the chance to make friends, increase their confidence and build their resilience. Every child deserves the chance to reach their full potential.
- ▶ **20%** of children in the Fredericton region face significant economic barriers to well-being.
- ▶ Of our youth YMCA members, **1 in 4** would not otherwise be able to access the YMCA without financial assistance.

Every child should have the opportunity to reach their full potential. All funds raised at Cycle for Kids are directed to the Youth Impact Fund. This fund will ensure that no child is turned away from the Fredericton YMCA.

YOU can help make a difference in a child's life by supporting Cycle for Kids.
